

REVORA AI FRONT DESK TEAM

Powered by **Mercy Speaks Digital**

A premium AI employee system for local business growth

CLIENT OFFER SHEET

Pilot-ready demo + production setup after onboarding

Promise: A 24/7 AI team that captures leads, qualifies customers, prepares booking and follow-up, flags missed revenue, and helps create marketing content.

WHO IT IS FOR

For local service businesses that need faster response and better lead handling.

Dental offices	Med spas
Hair salons / braiding	Home services
Churches	Law firms
Local service businesses	

PROBLEMS IT SOLVES

Reduce lost opportunities caused by slow or inconsistent follow-up.

- Missed calls after hours or during busy periods
- Slow follow-up and unbooked leads
- No clear missed revenue visibility
- Inconsistent marketing and content creation
- Manual admin work that slows down the team

AI EMPLOYEE TEAM

Specialized roles working together under owner control.

- Intake Agent
- Lead Qualifier Agent
- Booking Agent
- Follow-Up Agent
- Human Handoff Agent
- Missed Revenue Tracker
- Marketing / Social AI Assistant

PACKAGE OPTIONS

Start simple, then expand as the client is ready.

Starter: \$497 setup + \$197/mo

AI lead capture, qualification, follow-up drafts, and owner alerts.

Pro: \$997 setup + \$397/mo

AI receptionist workflow, booking intent, handoff, and missed revenue tracking.

Premium: \$1.5K-\$2.5K setup + \$597-\$997/mo

Marketing/social AI assistant, content calendar, approvals, and insights.

SAFETY & CONTROL

AI prepares work. The owner keeps control of sensitive actions.

- Human approval can be required before email or SMS
- Approval before booking confirmation, pricing, discounts, or social posting
- Escalates angry, urgent, or complex requests to a real person
- Keeps actions visible through agent run and tool call logs

NEXT STEP

**Want a 10-minute demo using
your business as the example?**

See how the AI team captures a lead, qualifies it, prepares booking/follow-up, flags missed revenue, and supports marketing content.
